Maintenance

In order to provide students with personalized attention, class sizes are limited to four (4) people per **Grader** session. Training dates will be offered on a first come first serve basis.

The cost of \$395.00 per person will cover all materials, break and lunch.

Any questions about the training can be directed to Steven Meier, Training and Support Manager, at (800) 421-0125.

Please submit a check, payable to Bunce Industries, for the total amount to cover all attendees with the completed registration form to guarantee your space in the class. Checks & registration forms should be mailed to the Stow, MA address below. Space is limited so send your registration in soon. A two week notification to cancel is required in order to receive a full refund.
